10:30am Sunday Worship Time

Early-July, 2024 Lutheran Lowdown

This summer newsletter is for members and visitors alike. The calendar on the front gives the dates and times of church sponsored events. Members might also enjoy the info on the back about the mission of the month and financials. If you're a visitor, info about our Sunday morning bible study locations and our communion practices can be found on the back. Please help yourself to a coffee and a donut or bagel, and take a seat. We'd like you to meet someone.

**Our Mission Statement: Living out the love of Jesus through Outreach, Worship and Discipleship.**

July's Mission of the Month:

Imagine a unique station of hope in the center of Oakland County; a place where church and commerce unite to address the genuine needs of humanity; a place where individuals and families can find a helping hand and a caring heart.

Oakland Hope is a non-profit, volunteer-driven human service organization that has recently formed within our county. Following in the footsteps of Focus Hope and Macomb Hope, Oakland Hope will partner with other agencies to become Oakland County's first one-stop-shop human service agency, providing a wide range of services and resources for the under-employed and working poor of Oakland County from a single location.

Last day to support  
**Pan de Vida** as our
